

PORTABLE LED LIGHTING TOWER - ML Series LT1500

# LT1500

## 1500W LED Portable Light Tower

### ■ Product Features

- **BROAD-SPECTRUM** Perfect for applications where there is no electricity, such as sports fields, construction sites and emergency lighting.
- **COST EFFECTIVE** Lowest total cost of ownership for a light tower - no service interval. Compact footprint allows easy transportation. Instant-on LED lights.
- **VERSATILE** Power from 95-295V utility power source, generator or another light tower
- **EASY TO USE** Simple hand crank mast retracts and folds down for storage when not in use.

### ■ Product Applications

- Music and Special Events
- Industrial Plants
- Manufacturing
- Warehousing
- Worksite Lighting
- Sporting Events
- Parking Lot Lighting
- School Events
- Municipal Projects
- Auto Dealers
- Hi-rise Construction
- Construction
- General Rental

## PORTABLE LED LIGHTING TOWER - ML Series LT1500

### ■ Product design details

#### LED LIGHTS

LS-ARE-EC series are small in size and light in weight . Color rendering index (CRI) UP to 95 non flickering. Good uniformity and illuminance ensure high quality photo rendering and television relay broadcasting. Uses top brand driver ensure the lamp for stability and long life span under the high temperature and humid environments. IP66 waterproof enclosure.

✱ Anti-glare cover can be added to the lamps. Especially suitable for studios and stadiums.

#### Retractable Mast

Folds down for storage  
Extended height up to 20'

#### Optional Generator

Generator power determined by the total power of the luminaires selected

#### Stabilizers

Retractable stabilizer bars fold in for easy storage.

#### MANEUVERABLE

Four stable pneumatic wheels allow one person to move and maneuver the product easily

## PORTABLE LED LIGHTING TOWER - ML Series LT1500

### ■ Product design details

#### LED Power supply

INVENTRONICS

Choose professional outdoor power supply, provided by INVENTRONICS; MEAN WELL. HIGH-END LED driver optimal stability performance and lifespan

#### HIGH-Efficacy led light source

3535 SMD LED Package chip from high light efficiency(150lm/w)  
Stable color temperature and high quality

#### High transmittance lens

light transmittance up to 93%, high temperature resistance. Multiple angles are available(11°, 24°, 30°, 36°, 60°, 90°)

#### Cold forged heat sink

Grooves are made on profile cooling teeth to accelerate air convection and increase cooling area (Similar to CPU heat sink processing technology)

#### Mounting bracket

304 stainless steel material,  
Able to cope with the harsh outdoors  
316 stainless steel can also be customized

#### Generator rain cover

Protective cover for generator allows you to use the LT1500 in all types of weather
